

CAPABILITY STATEMENT

www.smithconstructionfw.com

Smith Construction has a 35+ year history of providing quality construction services as a family owned & operated company. Our trade specialties include:

- General Contracting & Remodeling
- Interior Finishes
- Rough & Finish Carpentry
- Creative workflow to accommodate customer operations

CORE COMPETENCIES

Smith Construction has a solid history and experience in all facets of construction gained in decades of service to various agencies of the Government. We have the necessary skill, tools, and equipment to provide clean and environmentally secured workspaces enabling our customers to continue operations with minimal interruptions. We have proven excellence working in a variety of work environments such as:

- Inpatient Hospital Settings
- Outpatient Care Facilities
- Commercial Establishments
- Non-profit Corporations

Often this necessitates certain operations of ours being done after hours. We have the necessary specialized equipment, such as air handlers with HEPA filtration systems to control dust and other irritants which keep the adjoining areas clear for employee and customer use.
